

# Illinois State Challenge Cup

The Illinois State Challenge Cup is a trophy that has been competed for since 1981. That's when Jeff Henry founded the tournament for the three Chicagoland clubs in existence at the time. Eventually the competition expanded to include all of the downstate backgammon clubs to make it truly a State Championship.

Each year the top six players from each club in Illinois are invited to participate. Each person plays a match against someone from all of the other teams. Usually the person will play someone who is ranked in the same spot as they are on their team. At the end of the day, the team with the best record takes home the trophy and revels in the glory that they are the #1 backgammon club in the state of Illinois for that year.

A special thanks go to Bar Point Club director Bill Davis. His active participation in the event has made it into what it is today, one of the most exciting tournaments of the year for Illinois Backgammon players.
